- Childcare is for children ages 5 and under. Childcare will have 3 levels of activities: one for Kindergarten age children, one for Pre-K (age 3-4), and one for toddlers and younger.
- Childcare is available for **full days only**. You may sign up for just one day or both. You must drop-off by 8:30 am and pick-up at 4:45 pm.
- Parents are responsible for picking up their child at lunch, and providing lunch and snacks. Juice and sugar free drinks will be available onsite. Buffet breakfast and lunch for the family is included in family registration.
- By June 22, parents will need to fill out a scheduling form (which will be available online) letting us know which sessions they plan to attend in case there is an emergency. Without the completed scheduling form children will not be permitted into childcare. Please note - Parents must stay on site (the conference center grounds) while their child is in childcare.
- **Medical information sheets also will be due by June 1, 2012.** These only need to be submitted for children with diabetes or another medical condition that we need to be aware of. No child with type 1 diabetes will be allowed to participate in childcare unless a medical information sheet is turned in. We recommend that you complete these in late May so that we are as up-to-date as possible with your child's medical regimen.
